Secretary, Arunachal Pradesh Public Service Commission (APPSC) Parul Gaur Mittal today in a press briefing informed that the Commission has uploaded the Calendar of the upcoming examinations from various departments and detailed guidelines for the candidates. She urged the candidates to check on the Commission's website regularly and prepare accordingly for the exams. Further, she said the newly reconstituted APPSC has adapted changes for transparency and fairness to conduct the interviews and examinations while selecting the candidates on merit basis. For this, the subject experts from various premier institutes of the country will be part of the interview session and only educational qualification records of the candidates will be provided excluding their personal information. Also, the result will be declared and updated in the website on the same day. Furthermore, the Commission will advertise the vacant posts of the various departments according to the requisitions of the concerned departments following the Commission's new regulations.

The Meteorological Centre Itanagar (MCI) has forecasted that Longding, East Kameng and West Kameng districts are in orange alert zone in the state. Meanwhile, except for East Siang, Dibang Valley, Lower Dibang Valley and Anjaw, rest of the districts are in yellow alert zone. Both orange and yellow alert zone identified districts will receive thunderstorm with lightning and heavy rain very likely at isolated places today.
