**Indian Armed Forces targeted Air Defence Radars and systems at a number of locations in Pakistan this morning. According to the Defence Ministry, it has been learnt that an Air Defence system at Lahore has been neutralised. The Ministry said, India's response has been in the same domain with the same intensity as Pakistan. Briefing media this evening, Wing Commander Vyomika Singh said Pakistan attempted to target several locations in India last night.**

**The Ministry said, Pakistan has increased the intensity of its unprovoked firing across the Line of Control using mortars and heavy calibre artillery in various areas in Jammu and Kashmir. The Ministry said, 16 innocent lives have been lost, including three women and five children, due to Pakistani firing. In retaliation, India was compelled to respond to bring mortar and artillery fire from Pakistan to a halt. Indian Armed Forces have reiterated their commitment to non-escalation, provided it is respected by the Pakistani military.**

**Prime Minister Narendra Modi today chaired a high-level meeting with Secretaries of various Ministries and Departments to review national preparedness and inter-ministerial coordination in light of recent developments concerning national security. During the meeting, Mr Modi stressed the need for seamless coordination among Ministries and agencies to uphold operational continuity and institutional resilience. Key issues discussed during the meeting included strengthening civil defence mechanisms, combating misinformation and fake news, and ensuring security of critical infrastructure. Ministries were**

advised to maintain close coordination with states and ground-level institutions. The Prime Minister directed secretaries to conduct a comprehensive review of their ministry's operations, focused on emergency response, and communication protocols. The meeting was attended by the Cabinet Secretary, senior officials from the PMO, and Secretaries from key ministries including Defence, Home Affairs, External Affairs, Information and Broadcasting, and others.

Leaders of all political parties today hailed the valour of the Indian Armed Forces for their retaliatory action against terrorism and extended their support in one voice during an all-party meeting on Operation Sindoor. The meeting, chaired by Defence Minister Rajnath Singh at Parliament House in New Delhi, was attended by Leaders from over a dozen parties. Mr Singh briefed them about the operation. Briefing media after the meeting, Parliamentary Affairs Minister Kiren Rijiju termed the meeting as constructive and each leader expressed their views with responsibility and maturity, recognising the major challenge the country is currently facing.

Mr Rijiju informed that the operation Sindoor is still on.

India's strike against terror sites in Pakistan and Pakistan Occupied Kashmir have made Islamabad desperate and it has resorted to spreading fake news and misinformation. It is running fabricating stories of miraculous military victories and heroic retaliation. Such attempts reflect Pakistan's deliberate attempt to mislead the media, distort the global narrative, and manipulate public perception. We would like to inform our listeners, as Pakistan has been resorting to spread propaganda on social media it is crucial to scrutinize every piece of information carefully in this critical time. If you encounter dubious content, especially concerning the Indian Armed Forces or any info related to ongoing situation, you must report it to PIB Fact Check. World Red Cross Day is being observed today to pay tribute to the millions of volunteers and staff working alongside people in need of protection, assistance, healthcare, social aid, and solidarity. Also known as Red Crescent Day, the day commemorates the birth anniversary of the founder of the Red Cross and the International Committee of the Red Cross, Henry Dunant. The theme for this year 'Keeping Humanity Alive'.

Nagaland Governor and President of the Indian Red Cross Society, Nagaland State Branch La Ganesan today called for collective compassion and greater youth participation in humanitarian service. Addressing the World Red Cross Day celebrations in Kohima, he urged all citizens, particularly the young people, to embody the values of hope, empathy, and kindness in the face of growing challenges.

The Governor lauded the unwavering efforts of the Red Cross volunteers across Nagaland in providing disaster relief and reaching out to remote areas and vulnerable communities. Drawing on this year's theme, he encouraged all to reflect on what it truly means to be human in the face of adversity. Highlighting the importance of nurturing compassion early, La Ganesan underscored the importance of instilling values of empathy and service at home and schools. During the programme, a one-minute silence was observed in remembrance of victims of Pahalgam terror attack.

In a push towards boosting digital governance in Nagaland, the Department of Information Technology & Communication, conducted a one-day workshop on myScheme Awareness and UX4G (User Experience for Government Applications) in Kohima today. Director of IT&C, Sabou Yashu said, emphasized the need for all government departments to adapt to technological advancements and make best use of digital tools for better services to citizens. He highlighted plans for more workshops on cybersecurity, AI, and related topics. In the keynote address, Commissioner & Secretary of IT&C, Dr. G. Hukugha Sema, stressed the importance of accessibility and inclusivity in public digital platforms. myScheme app is a one-stop platform for central and state government schemes. Dr Sema called for making the app user-friendly, particularly for the underprivileged sections of society. Senior officers from various departments attended the event.

**Central Government has asked OTT and media streaming platforms as well as intermediaries operating in India to discontinue streaming media contents having its origins in Pakistan with immediate effect. The Information and Broadcasting Ministry today issued an advisory to them citing the interest of national security in view of Pahalgam terror attack. The Ministry advised them to stop streaming of Pakistani web-series, films, songs, podcasts and other media content, whether made available on a subscription-based model or otherwise.**
