The government has approved a semiconductor unit to be set up near Jewar airport in Uttar Pradesh. Briefing media in New Delhi yesterday , Information and Broadcasting Minister Ashwini Vaishnaw said, the unit is to be set up under the India Semiconductor Mission with the joint venture of HCL and Foxconn. He said, the plant is designed for 20 thousand wafers per month and the design output capacity is 36 million units per month.

The Minister said, five semiconductor units are already in advanced stages of construction and with this sixth unit, India moves forward in its journey to develop the strategically vital semiconductor industry. Prime Minister Narendra Modi said that the Cabinet decision regarding the establishment of a semiconductor unit in Uttar Pradesh will boost growth and innovation. In a social media post, Mr Modi said, it will create innumerable opportunities for the youth as well. He said, India's strides in the world of semiconductors continue.

Operation Sindoor has emerged as a decisive and symbolic mission, reigniting the spirit of nationalism across India. Carried out by the Indian Armed Forces, the operation reflected India's firm stance against threats to its sovereignty and unity. With strategic precision, it targeted terrorist hideouts in Pakistan and infiltration routes across the border, in response to horrific Pahalgam terror attack. It sent a clear message that India will not tolerate terrorism and will defend its people with unwavering resolve.

Citizens across the country- students, professionals, veterans expressed solidarity, flooding social media with support and proudly raising the tricolor in spontaneous displays of unity. We have a citizen sharing his thoughts..

As we celebrate the success of Operation Sindoor, the Nation salutes the valour of the Indian Soldiers.

Secretary to the Government of Nagaland, Department of Social Welfare, Bodeno S. Colo has called for greater awareness and sensitivity around adoption, describing it as a social commitment to raise a child with love, care, and dignity. She said, this while addressing the Nagaland State Orientation Training on Adoption Regulations 2022 and Foster Care , held at Kohima. Ms Colo described adoption as something that touches hearts, transforms lives, and builds families.

Highlighting the legal framework, Ms Colo said in India, adoption is governed by a robust legal structure aimed at ensuring the safety and well-being of the child and promoting transparency and accountability.
