Prime Minister Narendra Modi has said that, powered by the blessings and collective participation of 140 crore Indians, the country has witnessed rapid transformations across diverse sectors in the last 11 years. In a social media post, he said that guided by the principle of Sabka Saath, Sabka Vikas, Sabka Vishwas, Sabka Prayas, the NDA Government has delivered pathbreaking changes with speed, scale and sensitivity. Mr Modi added that from economic growth to social upliftment, the focus has been on people-centric, inclusive and all-around progress. The Prime Minister said that the country today is not just the fastest-growing major economy, but also a key global voice on pressing issues like climate action and digital innovation. He said that India looks ahead with hope, confidence and a renewed resolve to build a Viksit Bharat.

The all-party Parliamentary delegation wrapped up its visit to the US after meeting with Vice President J D Vance and Deputy Secretary of State Christopher Landau, among political and diplomatic leaders, to drive home India's strong resolve to combat terrorism emanating from Pakistan. The delegation, led by Congress MP Shashi Tharoor, was on the last leg of a multi-nation tour to brief key interlocutors about Operation Sindoor that India launched in retaliation for the April 22 Pahalgam terror attack. The delegation was one of the seven multi-party delegations India had tasked to visit 33 global capitals to reach out to the international community to emphasise Pakistan's links to terrorism. The team, which had arrived from India in New York on May 24, had travelled to Guyana, Panama, Colombia and Brazil before arriving in Washington for the last leg of the tour.
