Prime Minister Modi distributed over 51 thousand appointment letters to newly appointed youth in various government departments through video conferencing at the Rozgar Mela today. The Prime Minister speaking at the Rozgar Mela said the Rozgar Mela reflects the government's commitment to empowering the youth and making them catalysts in building a Viksit Bharat. He added that young individuals are now playing a major role in nation-building and the world acknowledges today that India possesses two boundless strengths- demography and democracy. The 16th Rozgar Mela was held at 47 locations across the country.

Addressing the 16th Rozgar Mela, Minister of State for Department of Personnel and Training, Jitendra Singh said that under the Mela, over forty thousands appointees are going to work in the Ministry of Railways .He stated that every appointee will also receive access to Karmayogi Portal, which aims to enhance their skills through focused training and development programmes. He also mentioned that more than eight lakh individuals have registered on the Karmayogi portal.

Union AYUSH Minister Pratap Rao Jadhav said, Ayurveda is being adopted by the whole world today. Mr. Jadhav said this at the first convocation ceremony of Institute of Teaching and Research in Ayurveda-ITRA in Jamnagar, Gujarat. He added that ITRA has an important contribution in the promotion of our ancient medical system all over the world. Mr. Jadhav visited various departments and hospitals during his visit to ITRA.

The Aircraft Accident Investigation Bureau (AAIB) last night released its 15-page preliminary report of the investigation into the fatal Air India plane crash that claimed 260 lives in Ahmedabad on the 12th of last month. AAIB in its report said, within seconds of lift off, both engine fuel control switches of the aircraft transitioned from 'RUN' to 'CUTOFF' position one after another with a time gap of 1 second and turned off, resulting in devastating air tragedy.

The General Officer Commanding (GOC) of the 2 Mountain Division, Major General VS Deshpande, called on the Governor of Arunachal Pradesh, Lt. General KT Parnaik at Raj Bhavan, Itanagar yesterday. They discussed key issues concerning the international

border, the progress of the Vibrant Village Programme, and the Indian Army's ongoing Sadbhavana initiatives aimed at improving the quality of life for the local communities. The Governor lauded the dedication and professionalism of the 2 Mountain Division for their vigilant presence along the sensitive border areas. He also commended them for their sincere efforts in executing Sadbhavana projects.

Arunachal Pradesh Chief Minister Pema Khandu inaugurated a new Maternal & Child Health Wing of the Namsai District Hospital, today. In a social Media Post CM Khandu called it a mark of a leap forward public healthcare in Namsai. CM along with other dignitaries inspected the new wing and overall hospital facilities, and interacted with patients across various wards, and as a gesture of compassion distributed fruits to patients. DCM Chowna Mein, BJP State President Kaling Moyong, MP Tapir Gao, Law Minister Shri Kento Jini were also present.

WCD minister Dasanglu Pul met Union Minister of State for Science and Technology Dr Jitendra Singh in New Delhi on Friday to discuss key proposals aimed at boosting biodiversity conservation and fostering bioeconomy in the state. Pul proposed the establishment of India's first Ex-Situ Germplasm Bank in Arunachal Pradesh, setting up an Eastern Arunachal Regional Centre for Bioresource Management and Development, creation of a Bio-NEST Bioincubator at Roing. Pul further urged to expedite the release of core grant support for the Arunachal Pradesh State Council for Science & Technology (APSCS&T), citing the need to address ongoing staff-related challenges.

Arunachal Pradesh Chief Minister Pema Khandu held a review meeting with the Planning Department to discuss key initiatives showcasing Arunachal's unique strengths. In a social media post CM Khandu shared that focus areas included promoting kiwi as the state's USP, developing integrated tourism circuits, and branding Arunachal as the Orchid Capital of India. Steps to preserve Mon Shugu, the traditional Monpa handmade paper art, were also reviewed.

Kurung Kumey District Administration handed over Land Mutation Certificates with 690 hectares for the Frontier Highway Project to PWD and BRO. The stretches include Lada-Sarli, Sarli-Huri, and Huri-Taliha. During a state-level review meeting, the team's efforts were appreciated. A mutation certificate is a

document that reflects the transfer of property ownership in official land records.
