Prime Minister Modi will participate in BRICS Summit at Rio de Janeiro in Brazil on 6th and 7th of this month followed by a bilateral visit to Brasília - the first by an Indian Prime Minister in nearly six decades. During his visit, Modi will hold talks with Brazilian President Luiz Inácio Lula da Silva, along with several other global leaders on the sidelines of the summit.

Union Minister of Commerce and Industry Piyush Goyal said India's policies are strategically structured to transform the nation from a four trillion-dollar economy to a 32 trillion-dollar economy by 2047. Goyal was speaking at IIT Madras' 'Sangam 2025' Global Innovation and Alumni Summit held in Bengaluru today. He said, forward-looking policies of the government have already positioned India as 5th- largest economy in the world, and the country is poised to become the 3rd- largest by 2028. He added that policies and programmes of the government are shaping a future-ready India.

Chairman of Arunachal Pradesh State Cooperative Union (APSCU) Nabam Tahi Nekil called on Governor KT Parnaik at Raj Bhavan in Itanagar today. During the meeting, the Governor stressed on the importance of enabling cooperative societies to find access to wider markets, particularly outside the State, to ensure better value for state's surplus agricultural and horticultural produce.

Recognizing the potential of local produce, especially perishable items, he suggested more warehouses, cold storages, and effective utilization of Hollongi and Tezu airports as export gateways to boost trade and income for farmers and growers. The Governor also encouraged APSCU to focus on strengthening grassroots cooperatives and promoting self-reliance among rural communities. He reiterated that the cooperative movement must evolve into a people-centric initiative driven by collective ownership and shared benefit.

Dree festival is being celebrated across the state today. Governor KT Parnaik extended his greetings to the citizens on the occasion. In his message, he said Dree Festival is a beautiful expression of Apatani community's deep bond with nature, their agricultural way of life and rich cultural traditions. It reflects the
