Vice President of India Jagdeep Dhankhar has emphasized on the importance of maintaining balance among the three pillars of democracy- the judiciary, legislature, and executive. Mr. Dhankar said, each institution is supreme in its own domain, and any intrusion by one into the domain of another could be potentially dangerous for democracy. Interacting with the students of the National University of Advanced Legal Studies in Kochi, Kerala yesterday, the Vice President highlighted that India must play a key role in building a world rooted in peace and harmony.
