Prime Minister Narendra Modi today attended the 15th India-Japan Annual Summit in Tokyo with his Japanese counterpart, Shigeru Ishiba in Tokyo. During the summit, the two leaders reviewed the entire spectrum of bilateral ties and discussed ways to take forward the next phase of the Special Strategic and Global Partnership. Addressing the joint press meet, Prime Minister Modi said their discussions today were productive and purposeful. He said they agreed that the India-Japan partnership is essential for world peace and stability. Mr Modi informed that a roadmap has been prepared for the next decade. He added that investment, innovation, economic security, environment, technology, health, mobility, people-to-people exchanges and state-prefecture partnership are at the centre of this vision.
