

Four persons who were involved in the alleged death of an individual at a rehabilitation centre, Yesu Arms Wellness Foundation, located at Chekiye Village, Chümoukedima have been arrested by the police. Police said four individuals along with the owner of the rehabilitation centre have been arrested and are now in police custody. Taking cognizance of the case Dimapur Police registered a suo motto FIR at Diphuhar Police station and initiated a detailed investigation. All necessary procedural steps are being taken to ensure that those responsible are brought to justice without delay. Police said a parallel inquiry into the rehabilitation centre to verify its compliance with licensing and operational standards has been initiated.

Prime Minister Narendra Modi said that the government is moving towards opening up the nuclear sector for private players. Highlighting that just as the space sector was opened for private entities by the government, the Prime Minister said the scope of other reforms is continuously increasing. Mr Modi was speaking after inaugurating Indian space startup Skyroot's Infinity Campus in Hyderabad through video conferencing from New Delhi yesterday. On the occasion, the Prime Minister also unveiled Skyroot's first orbital rocket, Vikram-I, with capability to launch satellites.

Nagaland's Advisor for CAWD and Taxes, Kudecho Khamo, inaugurated the Additional Deputy Commissioner's Office Complex at Akuluto Town yesterday, in the presence of Advisor for Animal Husbandry and Veterinary Services, Kazheto Kinimi. Mr Khamo praised Chief Minister Neiphiu Rio's visionary leadership and appreciated Mr Kinimi for driving development in Akuluto despite limited funds. He expressed hope that the new office would enhance public service delivery. Calling for unity and peace as essential for progress, the Advisor highlighted India's goal of achieving Viksit Bharat by 2047 and urged collective efforts for development.

Mr Khamo encouraged villages under Akuluto to adopt initiatives like "One Village, One Crop" to boost economic growth. In his speech, Advisor Kinimi thanked the government for its support and said the new ADC office symbolizes progress, urging the public to protect and value the facility.

The Department of Power, Nagaland, DoPN has announced that Smart Post-paid meters in Dimapur, Kohima and Chümoukedima divisions will be converted to Smart Pre-paid meters in a phased manner beginning 1<sup>st</sup> of next month, to mark Nagaland Statehood Day. The initiative is being carried out under the Government of India's Revamped Distribution Sector Scheme (RDSS). We have a report:

Meanwhile, the department has asked consumers to recharge at Subdivision cash counters, through the DoPN portal, or via the "Smart Meter Nagaland" mobile app

available on the Google Play Store. The department said the iOS version of the app will be released soon.

In a first of its kind, a joint meeting of the Kohima District TB Forum, the District AIDS Prevention and Control Committee, and the District Community Resource Group was held recently at DC Conference Hall, Kohima with ADC Kohima Ruopfukuotuo Noudi chairing the programme. The health officials reviewed immunization, maternal and child health, and TB control activities. Here is a report:

A DIPR report stated that the meeting called for improved health infrastructure, and continued community engagement to enhance maternal, child, and public health outcomes.
