Nagaland's Department of Health & Family Welfare has announced the regularisation of 97 Medical Officers engaged during the COVID-19 pandemic, with immediate effect. In a press release yesterday, the department said the decision follows approval by the State Cabinet in August 2024, recommendation of the Departmental Screening Committee, and a judgement of the Division Bench of the Gauhati High Court, Kohima Bench. On December 11, the Division Bench upheld an earlier Single Judge ruling that had dismissed petitions challenging the state government's decision to regularise in-service medical officers engaged during the COVID-19 pandemic through a Special Recruitment Drive. Finding no infirmity in the August 1 judgment, the Bench allowed the State to proceed with the regularisation.

The Ministry of Electronics and Information Technology has issued an advisory saying that a cyber campaign, called GhostPairing, is being used for hijacking WhatsApp accounts. The Ministry said, offenders are exploiting WhatsApp's device-linking feature to hijack accounts using pairing codes without authentication requirement. It added that the campaign usually begins with victims receiving a message from a trusted contact. The message contains a link with a Facebook-style preview which later leads to a verifying process via phone number. The Ministry noted that this activity grants attackers full access to the victim's WhatsApp accounts, without any password theft or SIM swapping and the chain follows. The ministry asked citizens not to click on suspicious links and never enter their phone number on external sites.
